

GENERAL INFORMATION

CCDSummer Programs are located on Cincinnati Country Day School's beautiful 62-acre campus. The campus features expansive athletic fields, gymnasiums, performing arts theater, all-weather track, multi-age playgrounds, dining facility, 25-yard, 6-lane pool, 7-court tennis complex, amphitheater, hiking trails, playscape, and natural outdoor classrooms.

Whatever your interests — from technology, arts, or sports to day camps — *CCDSummer* programs offer opportunities for children ages 10 months – adults.

Programs run during the months of June through August. Course offerings and day camps have been scheduled to allow you to develop a summer schedule full of excitement, fun, and personal growth!

- *CCDSummer* Programs has partnered with Get Sharp Soccer, Cincinnati Museum Center, Connections Academics, Drobots Company, and NIKE Basketball Camps.
- Camp and class sizes are limited, and registration is on a first-come, first-served basis.
- Placement is based on entering grade/program for the upcoming school year or age by June 1st.
- Course enrollment will be evaluated two weeks prior to the start date (30 days for courses for credit) to determine if enrollment is enough for the course to proceed. *CCDSummer* Programs reserves the right to cancel any course that has insufficient enrollment. Should a course be cancelled, registrants will receive a full refund of course fees paid.
- Day camp and Summer PE registrants must have a Student Medical Record Form on file prior to the first day of camp/course. Current CCDS students are exempt.
- The Lower School building, Early Childhood Center, and a designated area in the Dining Terrace are zoned “nut-free” to accommodate those with severe nut allergies.
- Cincinnati Country Day School does not discriminate based on race, color, creed, sex, gender identity, sexual orientation, disability, age (40 or over), national origin, ancestry, or military service/veteran's status in the administration of its educational programs and policies, admission decisions, tuition aid programs, employment practices and benefits, athletic, or other school-administered programs.

DAY CAMPS

Cincinnati Country Day School's Summer Program is known as one of the premier day camps in Cincinnati. Children 18 months through entering eighth grade are led by degreed and experienced teachers who provide engaging activities that promote growth and success, encourage discovery, and create a community that instills a strong sense of self.

Our beautiful 62-acre campus offers learning opportunities both inside and out. Our nurturing classroom environments promote exploration and collaboration. Manipulatives and materials offer endless possibilities for learning, creativity, and imagination.

Day camps take place over an eight-week period with flexible summer scheduling options available. All campers are offered healthy snacks. Campers enrolled in morning with lunch or all-day programs are provided a nutritious lunch. Optional after camp care is also available.

We are excited to announce that Summer2019 will offer both a traditional day camp option as well as a nature-based day camp. Our Growing with Nature Explorers and Investigators day camps are designed for children who have a special connection with the outdoors. Our campus will serve as a natural outdoor classroom filled with numerous opportunities for sensorial-rich experiences. In addition, we will be offering a parent/child day camp experience for children 10 – 24 months.

GRADES 5 – 8 STEM DAY CAMP

STEM Day Camp provides a unique learning experience with fun, real world connections focusing on Science, Technology, Engineering, and Math. Weekly themes offer innovative learning opportunities through hands-on activities that promote teamwork while developing creative problem solvers.

PROGRAM SCHEDULE

Campers participate in an all-day program (8:30 a.m. – 3:30 p.m.) or all-day with after camp care (3:30 - 5:30 p.m.), 5 days per week.

Grades 5 – 8	
Weeks	
6/10 – 6/14 The Great Escape	Bring your problem-solving knowledge! This week integrates all of STEM as campers explore and create puzzles, riddles, and escape challenges. We are building an escape room!
6/17 – 6/21 Bridging the Gaps	Using various methods of connection, campers will explore the successes and failures of engineering a build. Compare and contrast low and high breaking points for our bridge of tomorrow.
6/24 – 6/28 Coding	Explore the world of computer science and programming through software programs campers will study the foundations of computer science: sequence, selection, and repetition.
7/1 – 7/5 Goldberg Machine	Working in teams to improvise the use of physics and engineering, campers will invent a Rube Goldberg Machine – a comically involved, complicated invention, laboriously contrived to perform a simple operation.
7/8 – 7/12 Rat Race	Campers will be using mouse traps to construct their rat rods and wheeled machines to use mechanical advantage and see who can build the rat rod that is up to outperform the competition. Don't get trapped up in the rat race.
7/15 – 7/19 Building and Engineering	Building and Engineering – Creativity rules during this week of camp. Through hands-on design and building projects, campers will quickly turn ideas into reality using prototyping, free building, engineering, and 3D design.
7/22 – 7/26 Game Player's Paradise	Learn to create, design, and develop a variety of popular toys and games with Makerspace materials as we explore both classic toys/games and compare them to modern technology.
7/29 – 8/2 Cardboard Regatta	During the cardboard boat project, students will practice real-world skills of measurement, buoyancy, construction, and teamwork. Students will construct a boat made from cardboard, carpet tubes, and duct tape.
