

Out-of-Pocket Expenses - Lower School

The charges below are an estimate of expenses a family may have in addition to the standard tuition and extended day program options. Many of these expenses are optional. Charges that are automatically billed to the student's account are indicated with an asterisk (*). There may be additional charges throughout the school year depending upon the child's interests and participation in various athletic teams, clubs, private lessons, tutoring, and extracurricular programs.

Out-of-pocket expenses are estimated and based on charges assessed during the prior school year.
