

Coyle Report – Final Edition 2019-2020

What an amazing year. We began with an outstanding fall season that included a state championship by our womens soccer team. Our volleyball team reached the regional finals. Sam Pettengill finished in 8th place at the OHSAA state golf championships, and Natalie de Beer was a state qualifier in cross country. As we moved to the winter season, CCDS continued to excel as both of its basketball programs won the MVC, and our girls made history becoming the first womens basketball team in school history to reach the sweet 16 and regional finals. Our swim and dive team qualified six individuals for the state meet in Canton, and our women's swimming team finished 12th in Ohio. We were excited about the prospect of watching our spring athletes continue their success when the season was abruptly shut down.

Our spring athletes missed the final chapters of their high school careers, and we sorely missed watching them perform. Unfortunately, as we go through life, obstacles are placed before us, and we must face those challenges and overcome them. Several times this year I have referenced the 86,400 seconds that we have each day. I encouraged our athletes to focus on the present and make the most of it. No matter what obstacles we face, we still have choices to make about how we live. No matter the circumstances you encounter, wake up and say – I will embrace today! Today, I will be the best version of myself, and I will have a great day. I will not let things beyond my control negatively affect my life.

I ask all our spring athletes who lost their senior season not to focus on what was taken away but rather to reflect on the amazing relationships and moments you created during your time at CCDS. After reading this, reflect specifically on your previous spring seasons. Think of your coaches and the life lessons and skills they taught you. Think of the schools and athletes you competed against and your rivals who helped you become your best. Most importantly think about your teammates – your friends who attended practices with you, joked with you in the locker room or on the buses as you traveled to games. Think of your teammates and the moments you shared after a big win and even times after a disappointing loss. As you reflect on what spring sports have meant to you, it will always be with you, and no one or pandemic can take that away. WE ARE COUNTRY DAY – and we will be back and competing again. And seniors, you must return and share in the excitement and the community that is Country Day. On behalf of the administration, teachers, coaches, parents, and your fellow teammates, thank you senior athletes for your involvement with CCDS Athletics. We will miss you and WE LOVE YOU!

Go Indians!

Baseball

Prep Baseball Ohio 1st Team All State - Ethan Howard, Jackson Campbell and Payton Ebbing

MIDDLE SCHOOL ATHLETICS 2019-20

The MS athletic program is an extension of the middle school classroom. Athletics at CCDS provide opportunities not only to grow in sport-specific skills and team concepts, but they also develop many life skills including persistence, commitment, hard work, integrity, determination, sportsmanship, trust, and communication to name a few.

Our 7th and 8th grade athletes represented CCDS extremely well this school year. Daily, they demonstrated the school's Virtues in Action during practices and competitions. The growth of individual athletes and teams were evident throughout the season. Learning and growing as student-athletes is always our priority, however, we enter every game and contest with a goal to earn a victory. Even with the unfortunate loss of the spring season, we earned multiple accolades that should be celebrated.

Fall 2019

Football: 7-1 overall - most wins for MS team in at least 15 years. The team outscored its opponents 288 – 88.

Girls Cross Country: MVC League Champs; Addie Robillard 1st Place City Championship

Girls B-Team Volleyball: Reached the semi-finals in MVC League Tournament

Winter:

Swimming: Coed 2nd place at City Meet, Girls 1st place at City Meet

Boys A-Team Basketball: Undefeated 12-0 season, MVC League Champs

Girls B-Team Basketball: MVC League Champs

Girls Gymnastics: 4th Place Team finish at City Meet; Gracie Mitchell 1st on Floor and 4th on Beam; Alison Ramage: 2nd on Beam, 1st on Bars, 1st All-Around

Wrestling: Two 2nd and one 3rd place finish in MVC League Meet
