

# COUNTRY DAY

## CONNECTED

Dear Parents,

The teachers and I have been busy preparing for our launch to remote learning on Monday. As mentioned in previous communications, this will be an adjustment for all of us so we anticipate a few bumps in the road. We are committed to giving this our all and doing everything we can to make this a positive experience for everyone.

At the end of next week, we will send a survey to gain your feedback about your child's remote learning. With your input, we can better navigate and maximize the shift in teaching and learning.

This is a change for us all; we are all learning, but together we will stay Country Day **CONNECTED**.

Please share this video message with your child to help get them ready to restart "school" on Monday.
