### **Hirsch Note—Country Day Connected Week #9**

We made it! Not how I ever imagined finishing my 30<sup>th</sup> year at Country Day but one that has been among my proudest. I am thankful for the CCDS students, parents, and faculty. You are my second family. We demonstrated the resilience and grit that I talk about all the time by adjusting and pushing forward. Yes, it was hard work but guess what? Life is hard. How you handle bad luck or in this case how you handle this dreadful virus---strengthens all of us. We will be stronger as a result. In some ways, this spring reminds me of my battle with cancer. Believe me, the chemo treatments were no fun, but I'm a stronger person because of the challenges I overcame. The same will be true for us as we reflect on the spring of 2020. What we achieved would not have been possible without tremendous Country Day teamwork. I can honestly say, we all deserve a break and it's time to refresh for the next step in our educational journey.

### **8<sup>th</sup> Grade Spotlight: Recognition of the Class of 2024!**

This week, we celebrate the Class of 2024. Little did they realize in September that they would be making CCDS history as the first class to graduate the Middle School by finishing the year remotely. We are excited to celebrate them on Friday with a send-off that conforms to safety requirements. Each family has a separate time slot for photos, and students will receive gifts from the Middle School and the Parents' Association. Check out the attachment for a sneak peek at a page from the book each 8th grade student will receive.

Additionally, this class is the first to have produced the annual 8th grade musical virtually. *Frozen, Jr.* is set to premiere tomorrow (Friday). We cannot wait to see the talent of our students and our musical faculty come together to make this production possible. I am excited to share the video with you when it is complete.

### **Summer Packets for 2020-21: Reading and Math for Entering 5<sup>th</sup>, 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> Graders**

Over the last week, the teachers have shared with the returning students the summer packets for the next grade level. The work can be found on the Enrolled Student page—[click here](#) and go to MS Summer work.

### **Parent Resource: Your Teen for Parents Magazine**

I've always enjoyed the advice in the digital magazine, "Your Teen for Parents." They have published another issue for the summer, Pandemic Parenting 2.0. [Click here to sign up](#) if you would like to sign up to receive the publication's articles.

Have a safe and healthy summer—Go Country Day!

Hirsch

### **Thought of the Week:**

*"Thank you for the memories. People will forget what you said, and people will forget what you did, but people will never forget how you made them feel."* Bonnie Jean Wasmund
