

COUNTRY DAY

CONNECTED

CountryDay.net/go/ConnectED

Dear US Families,

Country Day ConnectED has proved a time of innovation and challenge and great community building at Country Day. My move to video messaging was a conscious effort to try and provide some real-talk about how we are processing life "at" school during this trying time. I have learned a lot during these weeks—about school, about myself, about community, and a whole lot about why I should never try and be my own child's teacher. (High school English is a cake walk compared to the fierce kindergarten attitude that has become the norm in my house--)

In any case, this week, I'm communicating via text because there are some details I thought you might want written down for the end of year.

Friday, May 22

- Last day of quarter 4

Monday, May 25

- NO CLASSES (Memorial Day)

Tuesday, May 26

- US exams

Wednesday, May 27

- US exams

Thursday, May 28

- **Grades 9-11 Locker Pick up (Please see attached flyer for the schedule)**

Friday, May 29

- Closing of School Ceremony at 8:30 am (A link will be sent to watch)
- US Awards Ceremony at 10:30 am (A link will be sent)

Saturday, May 30

- Graduation event (More info. to senior families coming this weekend)

Thursday, June 4

- Report cards post

Another reminder for parents of returning students is that the Magnus Health information was emailed on Wednesday. As you might imagine, as we gear up for a new school year mid/post pandemic, our record keeping will be more important than ever, so we encourage your family to get a jump on this early.

We will continue to keep you updated. Stay well, keep washing your hands, and remember...We are Country Day.

Thanks,

Jenn G. Weinheimer • Head of Upper School
